Dear Samuel Wini

Thank you for your application to the Santos Community Partnership Program.

Across our organisation, Santos receives hundreds of sponsorship applications each year, however we are unable to support all applications.

Santos' Community Team has assessed your application in terms of:

- Alignment with [Santos Community Investment Framework](#)
- Alignment with Santos Community Investment Focus Areas
- Budget availability; and
- Whether the application is for an initiative being undertaken within our operational areas.

We recognise that your application represents a worthwhile community initiative however regret to advise that on this occasion your application has been unsuccessful.

Yours sincerely

Santos Community Team
